RE: Announcement of Planned Action (Mass Layoff)

To whom it may concern:

This letter hereby gives notice that Lost Boys Interactive, LLC, with a principal place of business [REDACTED], will be laying off approximately 139 total employees. Please refer to the **Attachment** for more information and impacted employee locations. This mass layoff is expected to be permanent. Due to the remote nature of our workforce, many offices require notification. Therefore, both state and local officials are being notified per this letter.

All affected employees have been notified in writing of their separation dates and that their separation of employment will be permanent at this time. Those employees are expected to be separated from employment beginning **September 9, 2024** and will be paid regular wages equivalent to two months. The attached list shows all affected job titles and the number of laid off employees for each job title. None of the affected employees are represented by a union or subject to a collective bargaining agreement.

There will not be any bumping rights for the affected employees, as such employees will not be able to displace more junior employees out of their job positions as a result of this mass layoff.

[REDACTED]

Sincerely,

Lost Boys Interactive, LLC
