Re: Mass Layoff and Unit Closure at Boulder City Hospital, Boulder City, Nevada

Dear Rapid Response team:

Pursuant to the federal Worker Adjustment and Retraining Notification Act, 29 U.S.C. § 2101 et seq. (the "WARN Act"), BOULDER CITY HOSPITAL (the "Company") is issuing this notice to inform you that the Company will be undertaking a permanent mass layoff. The mass layoff is due to the decision of the Company to discontinue, and/or close inpatient care services, its acute inpatient care units. The hospital has applied to change our designation from a Critical Access Hospital (CAH) to Rural Emergency Hospital (REH). The formal notification of this intent was sent to The Centers for Medicare & Medicaid Services (CMS) on February 19, 2026 and an e-mail to Nevada Health Authority on February 18, 2026. (Copy of email is enclosed)

The affected employees are being informed today that their employment will be terminated at the end of the 60-day notice period, i.e., on or around April 30, 2026. All affected employees will receive their regular wages and benefits during the 60-day notice period.

The mass layoff is being conducted throughout the facility located at 901 Adams Boulevard, Boulder City, Nevada 89005, and all affected employees' separation from employment at the Company will be permanent.

The Company submits this notice to satisfy any obligation that may exist under the WARN Act. There will not be any bumping rights to other positions for the affected employees. Attached is a list of the job titles of positions that will be affected and the number of affected employees in each job position.
