Dear Mayor Schieve and Nevada Rapid Response Team:

On August 7, 2025, SA Automotive LTD (the "Company") provided you notice under the Federal Worker Adjustment and Retraining Act ("WARN") that the Company would be shutting down operations at its 6645 Echo Avenue Reno, Nevada 89506 location effective October 7, 2025 due to loss of business.

In the August 7, 2025 notice, the Company indicated that we expected the permanent shutdown would affect the entire workforce of 154 employees. Since then, a customer of the Company has requested that a portion of the workforce be retained until on or about November 14, 2025 to meet some remaining limited demand of the customer. As of today's date, the employment of 91 employees has been terminated. The remaining 63 employees have been offered to extend their employment until on or about November 14, 2025. On or about November 14, 2025, it is expected that the employment of the remaining employees will be terminated.

All affected employees will be or have been notified.

Please contact Trent Holman, Chief Operating Officer, 517-521-4205 or trent.holman@saautomotive.com for further information.

Sincerely,

Trent Holman
Chief Operating Officer
